## Parents evenings

We were delighted to see so many parents for parents evening and hear so many positive comments on how well the children are achieving and how happy they are. As you know, the staff work incredibly hard to ensure that the learning is engaging and wherever possible fun. They also go that extra mile to ensure every child achieves their very best. Thank you for giving the staff positive feedback. It makes a world of difference. As we recognise, working together is key for every child to succeed.

## Congratulations to Year R

Year R visited Tesco Bordon last month as part of their 'Farm to Fork' project. The Tesco staff wanted the school to know what an absolute pleasure it was having Red, Blue and Yellow classes visit the store. They said they would have a competition to see which class was best but they decided in the end that all 3 classes were so well mannered and a real pleasure to have in the store that they should all be congratulated. Well done Year R and Year R parents, your nagging and encouragement on manners is working, please keep it up!

## School start times

We have noticed a few children are being dropped off very early at school. Please note playgrounds are not supervised by staff before the start of the day. Infant children should be taken to their classes for 8:45am and Junior children can walk into their class at 8:40am. However, parents are welcome to use the federation Breakfast Club from 7:45 am onwards if you need your child(ren) to be dropped off early.

## O2

The Juniors have a choir, and any child who joins the choir can take part in the O2 performance. On Tuesday 6th February, 45 children went to London and performed at the O2. They had a fantastic time and were a real credit to the school. Thank you to Miss Beverley and the office staff for organising this and all of our fantastic helpers and staff who went along too.

## Heads up for INSET days next year (2018 to 2019) to help you book holidays

We will start back at school on 4th Sept 2018 and take 3rd Sept as an INSET day. We are also taking June 3rd 2019 as an INSET day. School will finish on July 19th 2019.
