English/topic homework is set on a Thursday and is due in on a Tuesday.

We are aware of the higher standard of homework and learning this year. Please inform us or encourage your child to speak to us if extra support is necessary. The homework is based on what the children can do in class or sometimes provides a challenge.

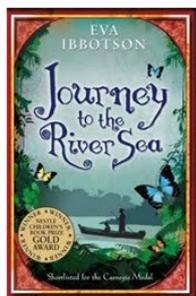

Library:

All classes have their library time on a Tuesday. Children are encouraged to choose a new author to widen their reading experience. Remind children to return books as they finish.

What we are learning:

Our topic is centred around the book "Journey to the River Sea" by Eva Ibbotson. This topic is designed to help children understand about the importance of rivers and the part they play in our lives, as well as identify known rivers around the world. There is opportunity for them to develop their fieldwork skills through a visit to Dell Quay and also research skills through independent projects.
