23/ Yr 5 Astronomy

16<sup>th</sup> November 2018

Dear Parent/Carer

**RE: YEAR 5 - ASTRONOMY ROADSHOW**

We are very pleased to announce the return of the enormously popular Astronomy Roadshow, which will be visiting our school on Tuesday 22nd January in the morning. This will mark a superb finish to our great science project on space and the solar system. The event will consist of the use of a 6 metre planetarium alongside internet, computer and animation links to bring the entire solar system into our very own school hall. The children will take part in a captivating 50 minute experience within the dome as well as a short workshop beforehand.

We do rely on a small contribution from parents to help with this very popular event and would appreciate a voluntary contribution of £3.00 per child for the Astronomy Roadshow. You can pay for this by sending in cash or cheque made payable to Liphook Junior School. Alternatively you can pay on line under the heading Year 5 Astronomy. We do rely on contributions from parents in order for these sorts of events to take place.

We are sure the children will have a fun, educational and stimulating time.

Yours sincerely

.....  
Miss Beverley

.....  
Mrs Panic

.....  
Mrs Bardsley/Mrs Clarke
